Music 103 – Classic Rock
Fall, 2019

Preparation for Midterm Exam

1. Known listening

a. For ALL the songs available on Box for Chapters 1-5:
https://furman.app.box.com/files/0/f/1091037018/MUS-103_-_Classic_Rock
be prepared to identify artist and title.

b. For JUST the songs in the Schloss text's Listening Guides for Chapters 1-5 (see page ix), be prepared to identify: artist, title, date of release (within 5 years), and approximately what location in the song was played (verse, chorus, "B section," etc).

2. Unknown listening

Be prepared to describe what you perceive to be important musical characteristics in an unknown excerpt that is played. Things you might consider: instrumentation, vocal style, lyrics, rhythm/beat, style, form, etc. Based on your description, suggest who might have recorded the excerpt.

3. People, terms, and concepts

After studying the online Lecture Outlines:
http://global.oup.com/us/companion.websites/9780199758364/student/
as well as terms in **bold** print in the Schloss text, your notes from lectures, and the reading assignments (both books), be able to answer true/false, multiple-choice, fill-in-the-blank, and short answer questions concerning major people, terms, and concepts covered so far in class.
